

Building  
Enclosure  
Council

The American Institute of Architects

## SPONSORSHIP OPPORTUNITY

**When:** October 30, 2014 (7:30 am – 5:00 pm)

**Where:** Founders Hall, Charles Towne Landing, 1500 Old Towne Road, Charleston, SC

### Don't Do Stupid Things: Lessons in Building Science

We invite you to be a Guest Sponsor of BEC-Charleston during this full-day presentation by Joe Lstiburek, PhD, PEng, ASHRAE Fellow, and Principal at Building Science Corporation.

### What is it?

Over the past 8 years, BEC-Charleston's fall seminars have given us opportunities to learn from outstanding international speakers on the topic of high-performance buildings. This year we are pleased to have Joe Lstiburek of Building Science Corporation to give a presentation on smart design and construction of building enclosures in our hot, humid climate.

### Audience

BEC-Charleston expects to have a multitude of building related professionals, including builders, owners, facility managers, architects, engineers, suppliers, developers and agency personal, just to name just a few.

### Sponsorship Opportunity

The Building Enclosure Council - Charleston will award the following Guest Sponsorship opportunity for this full-day event. Please direct questions to our chair, Ken Huggins, AIA ([events@bec-charleston.org](mailto:events@bec-charleston.org), 843-991-1350).

### Overall event sponsor

**\$500**

- Guest Sponsor will appear on Event literature and signage
- Guest Sponsor materials will be placed on information table
- Guest Sponsor logo, web address, and contact information will be played during lunch in a slide show
- Guest Sponsor will be given 2-3 min. to speak about company/products during lunch
- Two complimentary registrations to attend Event

### Payment Method
